

Polio Shot Consent Forms Sent To Arlington Parents

The drive against Polio in Arlington continues this week with the announcement by the local Board of Health that parental consent forms, which may qualify all children not attending school in the age group from one year to fifteen years, may now be obtained from the Board of Health.

The consent forms will entitle those who return them, to one round of Polio vaccine. Local officials warn that the forms returned will serve as a basis for the number of shots given in the future and that those who do not return them may find that they will be unable to get shots at a later date.

The release from the Board of Health stated: "Prompt return of these forms is imperative, in that the vaccine supply will be based on these returns."

Forms are being sent out and must be back at the Board of Health office by Tuesday.

Notice of dates of inoculation will be published when determined. It is respectively requested by local officials that parents do not "jam" the phones of the School Department and Board of Health with calls which pertain to vaccination dates.

One Hundred Fifteen Seek Town Meeting Membership

One hundred and fifteen Arlington residents from the Town's fifteen precincts filed nomination papers with Town Clerk James J. Golden as candidates for the 98 Town Meeting vacancies to be filled at election time.

The candidates who filed before Monday's 5 p.m. deadline will seek to fill, by ballot, 81 regular precinct posts and 17 vacancies which have come about as the result of deaths, resignations or moving from the precinct.

Actually, another vacancy, number 99 does exist, but it will not be filled by ballot.

James E. McAuliffe, Jr., 32 Waldo road, informed Town Clerk Golden that he was resigning as a Town Meeting member from Precinct 1. However, the resignation came after Monday night at 5 p.m., so that the vacancy will be filled by vote of the remaining members of the precinct at a later date rather than by ballot.

Selectman Hurd To Open Campaign Headquarters, Sunday

Franklin W. Hurd, candidate for re-election as Selectman, announced today he would formally open a central campaign headquarters at 448 Massachusetts avenue, Arlington Center, on next Sunday afternoon.

Hurd's headquarters will be located next to the Shattuck Hardware Co., and in the same building that houses the Rapid Beauty Salon.

"I wish to invite all those who are interested in my re-election as Selectman to drop in to the headquarters at their convenience. It will be open every evening and many afternoons", Selectman Hurd declared.

2900 Signatures Filed For Hurd

The Committee formed to re-elect Franklin W. Hurd as Selectman, filed over 2,900 signatures on behalf of their candidate last Monday with Town Clerk James J. Golden.

A spokesman for the committee stated that these were not all the signatures gathered by the Hurd workers, and that Selectman Hurd has many more in his possession.

All the members of the Committee stressed the fact that they were well received in all parts of the Town when they were presenting the nomination papers for signatures.

Seek Land For Parking Purpose

The Town is seeking some 32,990 square feet of land adjacent to the Town Yard to be used for parking purposes. The M.D.C. has offered the land to the Town at cost rental.

The matter has been referred to the Town Garage Committee.

AS MOTHERS MARCHED — Civilian Defense Captain Kenneth Cameron and Mrs. Katherine Dempster work for Arlington March of Dimes Drive. The Auxiliary Police, whose major activity has been the Arlington March of Dimes, helped collect money and assemble it at the Mystic street headquarters. The Civilian Defense ham radio network covered the town with radio cars in an effort to expedite the march.

HURT COASTING

Catherine Hawks, five and one-half years old was treated at Symmes Hospital, Friday night for abrasions of the right leg when her sled was in collision with a car operated by John Buckley Jr., 11 Inverness road, Arlington.

Police said Buckley's car was heading easterly on Sutherland road as the youngster was coasting out of a driveway at 26 Sutherland road when the mishap occurred.

Officials Concerned With 'Weeping' At Reservoir

Town officials are concerned with a "weeping" condition on the banks of the reservoir, 150 feet west of the spillway, when the reservoir is filled to capacity.

When the reservoir is lowered, however, the "weeping" stops, indicating, according to officials that the weakened condition exists in the upper three or four feet of the bank. It is thought that the condition might be alleviated by erecting cement buttresses of heavy clay banks.

Multiple Sclerosis Featured On 'Medic'

Miss Betty Ray, 19 Wildwood avenue, Arlington, chairman for the forthcoming Multiple Sclerosis Fund Drive has announced that multiple sclerosis will be featured Monday evening on "Medic" at 9 p.m., Channel 4.

The fund drive will begin Feb. 10. Governor Christian B. Herter has proclaimed February 19 Multiple Sclerosis Sunday when door to door solicitation will be made.

"Multiple Sclerosis" explains Miss Ray, "is a disease of the nervous system. Any part of the body can be affected — frequently all parts. The victim is usually a young adult between the ages of 20 and 35, and once multiple sclerosis strikes, the victim may be doomed to life in a wheelchair or bed. More than a quarter million cases have been reported in the nation and thousands more are undiagnosed or unrecorded."

Funds raised in the current drive will be used for patient rehabilitation and research for the cause and cure of this crippling disease.

Arlington Beats Medford' Playoffs Start This Week

Two first period goals by Marty Bihler and Johnny Riley provided the margin of victory as Arlington defeated a stubborn Medford high school sextet in the finale of the G. B. I. League schedule Saturday at the arena. The win enabled Arlington to remain just a game off the pace set by Melrose, who knocked off Stoneham 4-1.

Both the goals came on long shots which bounded past goalie Jim Moniz, who turned in a brilliant overall performance to stop Arlington on many closeup shots.

Jerry Cronin added the final goal in the third period as he worked in close and flipped the puck past Moniz.

Carrying a lead into the second period, Arlington gave up one goal to Bob LaBella on a trickier from in close on which Goalie Apprill registered a protest. Medford nearly registered the equalizer on two occasions as close-in shots, partially blocked by Arlington skaters, eluded Apprill but missed the net by inches.

Playoffs get under way next week with Melrose, Arlington, Newton and Belmont in the championship division. Arlington previously upset Melrose for that aggregation's only defeat of the year, and will have to beat the Raiders again to capture the title. Newton and Belmont both won on Saturday, Newton downing Rindge Tech, 3-1 and Belmont, in less impressive fashion, judge Edging winless Cambridge Latin 3-2.

Receives Patent For "Combination Luminous Coiling And Air Conditioning System"

(Exclusive to The News)
Carl M. F. Peterson of Arlington, Mass. was the recipient on January 17, 1956 of U. S. patent 2,730,942, entitled "Combination Luminous Ceiling and Air Conditioning System."

Luminous ceilings are used in many buildings and consist essentially of an array of light diffusing panels that form a sub-ceiling beneath the ceiling proper of the room. Sources of light, such as fluorescent lamps are mounted in the space above the luminous ceiling; and the arrangement affords visual comfort because large areas of low brightness illumination are provided.

In recent years, luminous ceilings have been constructed so as to act as a sound deadening medium this being accomplished in some instances by means of downwardly projecting baffles of sound-absorbing material. Likewise, the space above the ceiling has been utilized as a chamber from which conditioned air is introduced into the room either to cool it in warm weather or heat it in cold weather. However, the mounting of conventional air inlets and outlets in the ceiling in place of one or more diffusing panels is not satisfactory because the over-all illumination of the ceiling is interrupted.

Mr. Anderson has devised an improved combination luminous ceiling and air conditioning system which may perhaps be best described by citing some of the advantages attributed to it. In accordance with his invention, the space above the luminous ceiling is free of pipes or ducts which would interfere with the uniform diffusion or reflection of light; and it is divided into two chambers, from one of which the conditioned air is introduced in a draft-free manner over a large area of the room space. The exhaust air from the room is drawn into the other chamber and may either be discharged to the atmosphere or reconditioned for use again in the room.

It should be noted that Mr. Anderson's arrangement also includes the aforementioned acoustical baffles, and that there is no interference with the desired over-all lighting effect. In other words, it is claimed that it provides visual, auditory and personal comfort and therefore a pleasant total environment.

This patent has been assigned by mesne assignments to The Wakefield Company, Vermilion, Ohio.

34 Register

Town Clerk James J. Golden reports that thirty-four residents registered at the evening registration sessions Tuesday night. Nineteen persons made themselves eligible to vote at the March election by registering at the Cutter school while fifteen registered at the Junior high East.

help of the auxiliary police and the ham radio operators who assisted the committee.

Leading precincts in the community were nine, under the direction of Mrs. Effie Kirkpatrick, and 14, under Mrs. Caroline Corcoran. These areas both turned in over \$1100.

Arlington was fourth in Middlesex County in the Mother's March, it was learned from area headquarters. Only several larger communities topped this town, and only in one instance was a larger percentage increase reported.

Mr. Mahoney and the march co-chairmen, Mrs. McKeever and Mrs. Dormitzer, wish to thank everyone who aided in the effort on Sunday. Complete cooperation along the line, together with the willingness of the citizens of the community to contribute to the cause.

Those who have not made donations are urged to make them at campaign headquarters as soon as possible.

John J. Holmes

Funeral services will be held Friday at 8 a.m. with a solemn high mass of requiem from Saint James Church for John J. Holmes 38, who died Tuesday night at his home after a long illness.

Surviving are three daughters, Mrs. Harold MacDonald of Cambridge, Mrs. Lawrence Mitchell of Arlington, and Miss Bernice Holmes, an employee of the Town of Arlington; a son, John V. of Needham; a brother, Thomas of Watertown; two sisters, Mrs. John Kelley of Milton and Margaret Holmes of Milton and three grandchildren.

Onward For God & Country

The nation's 4,100,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders will launch their Four-Year Program, "Onward for God and My Country," during Boy Scout Week, February 6 to 12, marking the organization's 46th anniversary.

During Boy Scout Week plans will be completed for the strictly nonpartisan 1956 National Get-Out-the-Vote Campaign which the Scout organization is sponsoring jointly with the Freedom's Foundation of Valley Forge. Scouts distributed in 1952 more than 1,000,000 posters and placed 30,000,000 Liberty Bell doorknob hangers in their first nationwide get-out-the-vote effort. This effort was said to be an important factor in the record turnout of sixty million voters.

It is believed that four million Scouts and adult leaders can be a great influence among parents, relatives, neighbors, and others to produce another record vote this year.

The campaign seeks to instill in adults the determination and responsibility to exercise their franchise as free people and take a more active part in their government. Each Scout will have an opportunity to participate and better understand his responsibility as a citizen.

Since a major reason for not voting is failure to have registered, the Scouts' campaign will first try to get citizens to register. Colorful posters encouraging registration will be displayed in accordance with local registration dates. Just before Election Day, Scouts and their leaders will distribute 35,000,000 Liberty Bell doorknob hangers to homes across the nation. These hangers read: "Heed youths' call. Vote as you think, but vote November 6, 1956. Use your freedom to vote."

Boy Scout Week is the largest annual single event observed by young citizens.

Most of the nation's 36,000 Cub packs, with 1,430,000 members, will hold blue and gold pot luck banquets with each family bringing a part of the menu. These eight, nine, and ten year old members follow a home-centered program in their homes and backyards.

Each unit will train its members in common-sense things they should do in case of fire, panic, or flood, simple things one should do for himself and his family. Interesting objects made by Cub Scouts will be shown in window displays. Cub Scouts will put on dramatizations, tableaux, and pantomimes, based on Cub Scout ideals, the history of Scouting, and persons important to its progress.

Most of the 54,000 Boy Scout troops, with 1,160,000 members, eleven, twelve and thirteen years old, will celebrate with annual parents' and Scouts' dinners at which individual advancement and achievements will be recognized. They will also thank local organizations and parents whose support makes Scouting possible.

Explorers in the 14,000 Explorer units and in Explorer crews in troops, with their 440,000 members fourteen years and older, will demonstrate before adults and young people the outdoor, social, service, and vocational elements of their program.

Arlington Scout, First In Council To Recieve Jewish Religious Award

Scout Donald Katz became the first boy in the Sackem Council to receive the Jewish Religious Award. Many scouts set out to earn the religious award of their faith, one of the more coveted awards in scouting. A number have been earned by Catholic and Protestant boys but the records of Sackem Council in Lexington show this to be the first presentation to a Jewish boy in the several years served by the Council.

The Jewish religious award is called the Ner Tamid. The Ner Tamid award is a pendant representing the Eternal Light which hangs

in front of the Holy Ark in the Synagogue. The requirements for the award include a knowledge of the Bible, history, and the religion of the Jewish people as well as the performance of acceptable service projects for the Synagogue.

The award was presented to Donald by Advancement man, Ralph Hiatt in an impressive ceremony conducted by Scoutmaster Phil Blacksmith and assisted by Mr. Walter McCulloch. Donald's father, Mr. Jacob Katz, and the members of Troop 85 participated in the ceremony. Donald is in the 9th grade in Junior High West in Arlington.

League Members At Annual School

Twenty members of the Arlington League of Women Voters attended the annual School of International Relations, held this year at the Kresge Auditorium at Massachusetts Institute of Technology on Wednesday, January 25. This annual event sponsored jointly by the Massachusetts League of Women Voters and Radcliffe College was attended by many hundred League members from all over the State.

At the morning session the role of the United Nations was discussed by Dr. Benjamin A. Cohen, former assistant Secretary-General of the United Nations. He presented much unbiased background information on the serious and chronic problem of Arab-Israeli disagreements. Unfortunately this represents the most difficult kind of a problem for the U. N.

The other morning speaker was Sociology at Boston University. His particular field of study is that of the peoples of Africa. He pointed out that many African groups are now in a period of transition from states of colonialism to that of growing national desire and ability to participate in it. They are beginning to show their own political governments with the resultant clashes with their respective European governing powers.

Mrs. Edwin Gilliland, 23 Chawick road arranged for the Arlington group to lunch together at the M.I.T. Faculty Club. Other arrangements including transportation were made by Mrs. Myron C. Smith of 22 Malvern road.

Mrs. Sidney Simons Named Chairman

Mrs. Sidney Simons, 42 Beverly road, Arlington, has been appointed chairman of the Arlington Committee, Arthritis and Rheumatism Foundation, it was announced recently by Mrs. Christian A. Herter, president of the Mass. Chapter.

The drive for funds to support the research and medical care program of the Arthritis and Rheumatism Foundation started in Arlington January 9.

TOWN HALL Press Conference

Plans for "Open House" at the Town Hall Addition are now being made. Residents of the Town will be able to inspect the new section, when the affair is held sometime in mid-February.

Arlington's Town help will now work from 8 a.m. to 5 p.m. Employees have been working from 7:30 a.m. to 4:30 p.m. during the winter or "dark months".

The Peirce school playground Improvement Committee will confer with the Town Manager next week. Richard E. Rice is chairman of the committee.

Horne Brothers Contractors have asked permission to obstruct a small section of the street for 90 days while construction is going on at the Arlington Five Cents Savings Bank.

The Town of Arlington will get 60 per cent rather than 50 per cent aid from the State under Chapter 90 work on Mass. avenue.

The State would pay \$51,000 of the \$85,000 total while the town and the county will pay only \$17,000, five per cent less than the usual 25 per cent paid under Chapter 90.

The reason advanced for the difference in the amount paid by State, Town and County is that Massachusetts avenue is considered a Federal road. The Chapter 90 work will be voted on at Town Meeting.

The Ryder street crossing, blocked off to vehicular traffic by the Town will be cut in size from 16 feet to 6 feet by the Boston and Maine Railroad.

The Army Engineers were expected here this week to check the Mill Brook situation. Work is expected to begin at the brook from the Reservoir to the Mystic Lakes within a week.

The Boys Club Associates have been granted permission to use the high school field for their Annual Fair, June 20-23.

Boy's Club Wheel of Progress Explained By Director 'Brud'

The Arlington Boys' Club has just completed another successful year of providing "fun with a purpose" for boys of all ages reports Brud Faulkner as he prepares the material for his annual report. An average day at the Club House will provide entertainment for 250 boys.

"Rather than dwell on facts and figures" says Mr. Faulkner, "I would like to comment on the various activities and mention some of the boys who were outstanding in their endeavors."

According to Director Faulkner: "The activities in the club revolve around the Physical Program and it is necessary to understand that we must schedule the different age groups so that every boy has equal opportunity. Boys who have excelled in our diversified Gym Activities are: Bill Rowsell, Joe Valenti, Richard Greene, Jerry Coughlin, Frank Sexton, Bob Sylvestre, Al Sullivan, Bill Grannan, Tim Mahoney, Dick Sayers, John Hanley, Joe Scalsce, Jack Sefton, Dick O'Connell, Dick Bowler, Bill Birtwell. From the Hub (The Gym) we will extend on to the many spokes which make up our wheel of character building."

"There are three spokes which lead into the Game Rooms. The Senior game room is set up with equipment which appeals to young men between the ages of 16 and 21. There is a new pool table, a ping-pong table, shuffle board, TV set and many small tables where chess, checkers, cards, cribbage, etc. are enjoyed. The young men who profess to have extraordinary ability in these activities are: Frank Shea, Joe Mahoney, Bob Lang, Buzz Beardsley, Denny Morel, Bob Baker and Phil Kuhn."

"Spoke No. 2 extends into the Intermediate Game Room (13 thru 15 years inclusive) where the equipment is a great deal like that of the Senior Room. Boys who are champion in the many tournaments which are held during the year are: Bob Macchini, Paul Sullivan, Art Stanley, Roy Roberts, Jack Gass, Bill Richardson, Paul Mahoney, Stanley Howard, John Macchini, and Sonny Turro."

"The following boys must be considered champions as they have won constantly during the year: Bill Kelly, Kenney Brady, Chris Angelou, David Briand, Ronnie Zenga, Brian Stone, Pete Montalto, Jerry Houston, L. Reghetto, C. Schipietti."

"Spoke No. 3 — Midset and Junior Game Room (8 thru 12). Once again the interest of the boys have been noted and tournaments are held in activities which vary from jig-saw puzzles to pinpong contests."

"Spoke No. 4 — The Control Room—Just a note regarding this room. Candy, tonic, and the like are sold; games are checked in and out, and coats same. In conjunction with the control room, we have our main lobby. The highlight being the T.V. set and comfortable lounges where the boys may relax after their strenuous efforts."

"Spoke No. 5—The Library—it will not compare with the Public Library, but it provides a place of solitude for those who may want to study or browse through one of 15 magazines and books that we subscribe to."

"Spoke No. 6 — The Bowling Alleys. The Alleys drew several hundred enthusiastic boys who enjoyed a chance to bowl, both in tournaments and in free bowling. Pin boys for the alleys are volunteers who receive no remuneration except for a party which is given at the end of the year. Top bowlers last year were: Paul Carter, Chris Lewis, John Lewis, Dick Sayers, Art Stanley, Roger Schipietti, Joe Sullivan and Sam Humen."

"Spoke No. 7 — We will now move on our wheel of progress to the creative activities in our program: The Plaster Molding Class is one of the most popular activities in the Club. The boys do their own molding and painting and the results are something you or I might be proud of. Outstanding in this class last year were: Phil Angelou, Richard Hauser, Richard Carlino, Don Catalano, Peter Cucchiara, Frank Donahue, John Fahey, Tom Galligan, James Gowell, Bill Martin, Joe Saunders."

"Spoke No. 8 — The Ceramics Room. Here again we make an extended effort to bring out the finer talents of boys. Many of the finished products are proudly displayed in the homes of our members. Exceptional work has been done by the following boys: Steven DeLeo, John Ferro, Paul Ford, Jack Woldren, Dick Salvucci, and Bill Smith."

"Spoke No. 9 — The Woodshop. Cabinet makers, carpenters and other crafts-men of the future are being developed in our wood shop. From the basic building of a sail boat to the intricate details of a knock-knock shelf, we are proud of our future craftsmen such as Eddie Field, Ed Maher, Bill and Ronin Zenga, Dick Corletto, Augustus Cassassa, and Richard Salvucci."

"Spoke No. 10—Volunteers play a prominent part in this part of our character building. The Ball

Coasting and Fly Tying Classes are favorites of many of our ardent fishermen and the A.B.C. may walk away with all the prizes in the coming sportsmen's Show in Boston: D. O'Brien, Jack Young, Al Beaudoin, Jack Keefe, Stuart Beldoin, Ted Latty, and Pete Montalto are becoming experts in the art of Ball Coasting."

"Spoke No. 11—Camping. Our summer activities consist of two camping programs. One is an overnight camp. The boys are sent to camps in New England for a minimum of two weeks. The second part of the summer program is Day Camp, perhaps the most popular part of the A.B.C. activities. More than 200 different boys had an opportunity to take part in the program last summer. It is both recreational and educational. A day with the Day Camp might be spent like this: Morning exercises at the Boys' Club at 8:45 a.m. Bus trip to the Bunker Hill Monument, then to the "Constitution." From the Navy Yard the excursion moves to Logan Airport. Lunch, a game period and a two hour swim are enjoyed at Nahant beach. The boys arrive home at 4:45 p.m."

Hundreds of compliments have been received from persons who have observed our boys and their behavior at the many places they have visited in the last few years."

"Spoke No. 12—Special activities. Thousands of boys took part in our special events last year. The Halloween Party, Christmas Party, Father and Son Dinner, Small Fry Day, Fishing Derby, Pet Show and Movies are just a few of the many events which are set up to provide recreation for boys in their leisure time."

"The gears in the center of our wheel are the Staff and the Board of Directors. The Staff is composed of men, women, and Junior and Senior Leaders and volunteers who develop the program and put it into operation. The credit and success belongs to these individuals who devote a large part of their day to providing wholesome recreation and character."

"The success of the Boys' Club may also be attributed to the wonderful persons who make up the Board of Directors. These civic minded Arlingtonians through their zealous efforts have provided this community with an organization that does all that is possible within our limitations to provide recreation for boys."

"This article would not be complete, if the many organizations

and friends who continually assist in the operation of our Club were not mentioned. It would be almost impossible to continue, if we did not have these people to rely on."

"In closing, the Board of Directors would like to cordially invite all boys and parents to visit the Club House at 60 Pond Lane for a tour of inspection. Club hours are Monday thru Friday 2-5 p.m. and 7-10 p.m. The Club is open Saturday from 9:30 to 12:00 a.m. and 2-5 p.m."

ARLINGTON CENTER DEVELOPEMENT

For the past 20 years, Arlington Center property assessed values have lagged behind the increase in total real estate values. Why? Because few major retail merchants are interested in building new, expensive, and modern stores where the parking and street layout does not encourage shoppers. Our tax rate might be \$6.00 lower if the Center were now built up to assume its proportionate share of the tax burden. What are we waiting for? We have basic plans for the improvement of the Center. Let's get started and develop plans for the Heights and East shopping areas.

Representative McEvoy Leads Fight For Repeal Of \$6 A Point Demerit Surcharge

The fight in the House of Representatives which resulted Monday in a 227-1 vote for immediate repeal of the controversial \$6-a-point demerit surcharge on compulsory automobile insurance for driving violations was led by Rep. Joseph F. McEvoy, Jr. of West Somerville. The bill now goes before the Senate.

Rep. McEvoy is House chairman of the Legislative Committee on Insurance which reported the bill favorably last week, despite the objections of Governor Christian A. Herter. Governor Herter had requested that the committee not take action on the bill until a special 13-member citizens' committee which he had appointed to study the demerit law had had a chance to make its recommendations.

In answer to the Governor's charge that the committee on insurance had broken faith with him, Rep. McEvoy stated: "The Governor's expression of shock was merely an attempt to cloud the issue and to divert public attention from the fact that he was seeking to continue the demerit surcharge for driving violations."

"We never made any commitment to the Governor or his special committee," Rep. McEvoy said. "I had told the Governor and members of his committee that I could not make any commitments for the insurance committee until I had polled each member."

"I polled my committee to determine whether or not they wished to report the bill immediately or wait until the special committee had made its recommendations. The majority of the insurance committee voted to report the bill at once, and favorably."

McEvoy continued: "The insurance committee felt that this was an unfair law. The legislation which approved the highway safety act in 1953, did not intend to impose such a high penalty as \$6 a point upon anyone. The insurance commissioner arrived at this figure, and the Governor has stated that this amount was not high enough."

"Neither I nor the majority of the members of the insurance committee ever agreed to wait until the Governor's special committee had finished its study of the law before we reported on the bill to repeal the surcharge. I polled the committee and found most of them ready to report the bill at once."

After the insurance committee had reported the bill favorably the special citizens' committee recommended that the \$6-a-point levy be suspended for two years. In a special message to the Legislature, Monday, the Governor asked that they vote for such a suspension, but this request was referred to the insurance committee. Instead, the House voted almost unanimously to uphold the report of the insurance committee and to repeal the surcharge.

"If the bill is passed by the Senate and the surcharge is repealed," said Rep. McEvoy, "the remainder of the highway safety act will still be in effect."

Mr. and Mrs. Wesley Clark, 177 Spring Avenue, Arlington, announce the birth of a son at St. Agnes Hospital on January 18. Mrs. Clark is the former Elizabeth Koontz. Grandparent honors are shared by Mr. and Mrs. Melvin Koontz and Mr. and Mrs. Wesley Clark Sr.

Joseph Dineen To Speak At St. Agnes

Joseph Dineen, Boston Globe feature writer and reporter and author of several well known novels including the story of the Brinks robbery on which the movie "Seven Bridges To Cross" was based will speak to the annual Lenten Communion Breakfast of Arlington Council 109 of the Knights of Columbus.

"A Faith That Would Have Saved A Life" At Universalist Church

"The Spiritual Health of the American Citizen, A Report", was the title of the sermon delivered last Sunday at the Universalist Church.

The Rev. George J. W. Pennington, Pastor, indicated matters of moral and spiritual concern in the daily affairs of Americans. The abuse of the system of free election, conditions which encourage subversiveness, neglect of applied intelligence and human resources to social problems as contrasted with industrial progress, and the burden of a vast institutionalism were subjects which were given attention.

The Junior Choir, under the direction of Mr. Philip C. Young, Minister of Music, sang, "Praise the Lord, 'A Heavens Adore Him." "A Faith That Would Have Saved A Life" is the title of this Sunday's sermon to be delivered by the Pastor. It is liberal religion's response to a tragic homicide that could have been prevented by the absorption of a sensible religious concern.

Attorney Stanton Guest Of Wakefield Town Moderator

Atty. John J. Stanton of 17 Lark road, Arlington, attended the Massachusetts Moderators Association at the Harvard Club of Boston, Tuesday evening, January 24. He was the guest of Atty. William J. Lee, Town Moderator of Wakefield.

Atty. Lee is a noted authority on Parliamentary Law. He also is Town Counsel of Wakefield and former Chairman of the Wakefield School Committee.

Attorney Stanton, who is an active candidate for Town Moderator in Arlington, in the coming election on March 5th, told the press that the information obtained from the convention was invaluable in its relation to the problems of Town Meetings and Town Government.

Atty. Stanton participated in a panel discussion on local governmental problems at this meeting. He pointed out that it would be advisable for Moderators and Town Meetings to study Article VI of the Model By-Laws of the Massachusetts Moderators Association. This model by-law was designed for the purpose of expediting the procedure of Town Meetings.

The convention was attended by Town Moderators from all sections of Massachusetts. It was the subject of an editorial in a leading Boston paper on January 30.

It. Governor Whitfield, a guest speaker, traced the evolution of town government in New England from early colonial times and maintained that the New England Town Meeting has become a symbol of local democracy throughout the world.

Judge Kandel, Secretary, John J. Stanton, Moderator of Arlington, and Robert W. P. Lee, President of the Massachusetts Moderators Association, discussed the importance of the Town Meeting in relation to local zoning laws.

St. John's Church Names Officers

On Monday evening, January 30 at 8 p.m., St. John's Church held its Annual Meeting in the Parish Hall.

The Finance Chairman, Mr. Parish on the excellent results of John H. Campbell, commended the Every Member Canvass—which had been accomplished thru the united efforts of many and the cooperative support of the members of the parish—but warned them not to become complacent with their accomplishment, as the process of arousing a parish and having the people meet their real obligations and real opportunities to serve the Church, is a matter of growth.

Three memorial windows in the Nave of the Church were dedicated during the year, as well as the Parish Memorial Chancel Window over the Altar. This Memorial Chancel Window represents memorials of many who were active in the Parish in its earliest days and throughout its 80 years of history, so that it is truly a "Parish" memorial.

The officers for the coming year were elected as follows: Senior Warden, Donald A. Millard; Junior Warden, Herbert I. Dick; Treasurer, Edward A. Richards; Assistant Treasurer, Arthur J. Saul, Jr.; Clerk, Clarence A. Lundquist.

Vestrymen: Russell T. Donald, Malcolm E. Williams, William J. Flux, Harry B. Campbell, William R. Purrier, George N. Sauvage, Lee Stickland, and William F. Thomas.

Auditors: Curtice N. Townsend. Delegates to the Diocesan Convention: Donald A. Millard, Herbert I. Dick, Arthur O. Young and Edward A. Richards, Alternate.

Appreciation was expressed to Arthur W. Sampson, retiring Junior Warden, and to the three retiring Vestrymen, Howard R. E. sor, Hubert F. Marshall, and Albert I. Tate.

Mr. and Mrs. Fred Sliney, of 52 School st., Arlington, announce the birth of a daughter at Mount Auburn Hospital on Jan. 8. Mrs. Sliney is the former Ruth McDonald. Grandparent honors are shared by Mr. and Mrs. George McDonald, and Mr. and Mrs. Michael Sliney.

312 Towns Approve Harris UN Bill

Last week, Selectman George A. Harris, author of a bill which would allow Arlington to appropriate up to \$500 for celebrating UN Day, or any other civic observance or day, appeared before the State Legislative Committee on Municipal Finance in favor of the bill.

The bill was introduced at the request of the Board of Selectmen by Representative Joseph A. DeVoy with the corporation of Representatives Gott, Buckley and Doncaster of this district. Mr. DeVoy also appeared before the committee.

Mr. Harris in his presentation noted "that it seemed a shame that home rule was so lacking that a town with a budget of over \$5 million dollars annually could not without a bill each time, spend less than \$500 on a civic purpose."

Selectman Harris pointed out that the control of the expenditure of such a small sum was within the Town Meeting members, who must approve the money at a regular town meeting. While it is certainly democratic and this small bit of home rule should be given any town in the state, he concluded the Selectman.

Chairman Cornelius Korman of the Committee commended Mr. Harris for his excellent presentation of the intent of the bill.

There was no objection to the bill by any one of the 312 towns in the Commonwealth.

The value of prescribed medicine cannot be measured by quantity but rather, by the amount of relief it produces. For example, many of today's wonder drugs are prescribed and dispensed in small quantities because these drugs are so effective that a little works a great deal of cure. They are the "mighty mites of medicine"—and while it may seem that you are getting a small amount of medicine for your money, you actually are buying faster relief from pain and speedier recovery from illness... and that's the biggest bargain for your money.

Dear Mrs. Wilkins: My candidacy for the office of the office of Selectman is being announced today and I am therefore submitting my resignation from the Board of the League of Women Voters.

Although I am a non-voting member of your Board, I still feel my resignation is consistent with League policy that all Board members refrain from active participation in government.

My very sincere appreciation to you and your Board members for

the pleasant association I have had in League activities.

Yours truly,
Margaret H. Spangler
(Mrs. Kenneth C.)

Heber Youngken Not A Candidate

The following letter has been sent to Heber Youngken by Town Clerk James Golden.

Mr. Youngken has served for 23 years as a Town Meeting Member from Precinct 8 and has served as chairman of this precinct for most of that time.

Mr. Heber W. Youngken, 12 Woodland Street, Arlington 74, Mass.

Please accept my sincere thanks for the report you sent, in response to my recent inquiry, relative to the status of the elected incumbent Town Meeting Members of Precinct 8 whose terms are to expire in 1957 and 1958.

I was sorry to learn that your present illness, along with your physician's instructions to relinquish some of your many activities, makes it necessary that you not seek re-election as a Town Meeting Member in March of this year.

In recognition and appreciation of your most sincere, conscientious and efficient public-spirited service rendered by you over a period of more than twenty years I express the deep appreciation of our townspeople.

With every good wish for the enjoyment of good health and happiness in the future, and assurances of my gratitude for the many courtesies extended during our long and pleasant association I am
